Audio Unlimited ™ 900MHz Wireless Single Add-On Rock Speaker

Add-On

Cables Unlimited: **SPK-ROCK2**
UPC: **724580180395**
2 per master carton

DESCRIPTION:

Single **add-on** wireless Rock speaker seamlessly blends into your landscaping. To be used in conjunction with your current Audio Unlimited wireless system (SPK-ROCK). This add-on unit enables you to enjoy the great outdoors with your sound system allowing you to listen to music just about anywhere in your garden, without the hassle of running unsightly speaker wires or making your yard look like a recording studio! The existing system's powerful transmitter (not included with the add-on SPK-ROCK2) uses 900 MHz technology to send music through walls and floors to the wireless speakers up to 150 feet away. These high-quality, weather-resistant speakers can even be used in wet areas. They are compact, yet sturdy and portable, providing you the complete freedom of taking your music or other audio almost anywhere. Add as many wireless Rock speakers to your existing system as you desire. These speakers compliment any outdoor patio or garden décor.

FEATURES:

- Existing system's transmitter connects via 3.5mm audio cable to PCs, MP3 players, iPods, stereos and home theatre systems.
- 900 MHz transmitter sends audio signals without speaker wire (transmitter not included).
- Speaker can be up to 150' away from the audio source, without line of sight limitations.
- Speaker can either be battery powered (using included 12V AH rechargeable battery) or, using the included AC adapter.
- Compact & portable with a stylized design (13"H x 10"W) - 5.25" PP cone w/rubber edge Woofer—2" Mylar cone Tweeter—20 Watt RMS Output—15V DC Transformer
- 2 channel selection for you to achieve the best possible performance.
- Auto shut off control for power saving.
- Auto tuning function for interference free reception utilizing Phase Loop Lock (PLL) technology automatically tuning in the optimal frequency.
- 100 Watt output power with 75dB signal to noise ratio.

INCLUDES:

- 1 Wireless Rock Speaker with 1 AC-DC power adapter (AC: 12V 150mA, DC: 15V)
- Built-in sealed rechargeable lead-acid battery (12V AH)
- User manual
